Since the construction of the temple on the ridge overlooking the lake at Thippagondanahalli has already been sanctioned by Government and the work is in progress the Swamigalu may instal the deity as agreed to by him, the image in the submerged temple being made use of for the purpose.

7 As regards the utilization of the compensation amount for nityakatle expenses, one Mr. Thimmarayappa of Kutlu village has been contesting that the temple belongs to his family and the amount should be paid to him. The present Sub Division Officer of Closepet (Mr. Mallaradhya) has revised the order of his predecessor and held that as the rightful hakdar for the amount has not been sufficiently established, the same may be kept in the name of the Amildar in Government Savings Bank till the matter is settled by the parties in a Court of competent jurisdiction. The matter is under further investigation.

Letter no C 137 of 4.1.33 from the Meerasi Commissioner forwarding copy of letter no C3 4212/31-32 of 1.12.32 from the Deputy Commissioner Bangalore stating that he has cancelled the order of the present Subdivision Officer and restored that of Mr. Varadarajaya which declared that there was no hereditary right in Sri Sangameshwara Swamy's temple at Kudlu to remove such fortifications and recommending the issue of a loan of Rs 3000/- from out of the compensation amount of Rs 6710/- deposited to therein wherein the judicial expenses relating to the unbounded fair of the Swamy of Sri Sevaganganna.

21 Draft sanctioning the DC's recommendations is put up for orders —

9/1 22) It is not clear why the Question of giving His Holiness the Swamyjee a loan of Rs 3000 for his proposed tour should be mixed up with the installation of Sri Sangameswara Idol in the new Temple at Thippa Jondanahalli and setting apart the amount of Compensation ~~awarded for~~ to form a nucleus for securing an income sufficient for nityakatte and other expenses connected with the temple

NOTE—Contn. Sheet.

23) It is reported that the amt of Compensation has been deposited in the Magadi Taluk Savings Bank in the name of the Amildar on behalf of the Deity

24) There is no reason why the Arrangement should be changed ~~so soon considerable~~. Further there may be a likelihood of persons said to have been interested in the temple preferring their claims for Compensation in a civil Court and it would not be desirable to appropriate the amount even temporarily. Orders are solicited if instructions may be given for having the idol of Sri Sangameswara Swamii duly installed in the new Temple as already directed by the ~~mem~~ first member in para 11 above

And the Mur Comm asked to make a separate recommendation re the proposed loan to His Highness the Maharaja of Sri Sivaganga mutt.

Final Secy)

The amounts advanced to the Sri Sivaganga mutt are as follows —

Serial No.

1) Loan of Rs 2000/- for Gangatharaswam Swami temple Funds No recovery.

2) Do 15000/- for Kalasa Temple Funds — Recovery Rs 6013/-.

3) Do 3650/- for Navakundi Dam Channels — Recovery Rs 1054

4) Do 3950/- for repairs of Hanigya Tank belonging to Sri Mutt — Not yet drawn — Work not yet begun.

26) Under the Gen'l Mugani Fund there is a balance of Rs 7500/- and no loan can now be granted out of this.

Under the Chatiram Sangi's Fund there is a balance of Rs 27000/- available and it is a question whether any advance may be made out of this.

There seems to be absolutely no objection to the advance being made out of the Compensation amount as suggested by the Mugani Comm[r] and accepted also in the manner proposed by him as the Compensation amount will have to remain invested in the Sangi's Bank to yield the interest required for padikan & Deepam[s] & other expenses. The proposal of the M.E. may therefore be sanctioned.

Office of the Executive Engineer,
New Bangalore Water Works Division,
"New Reservoir", Thippagondanahalli.
Dated 7th October 1932.

Dear Sir,

With your kind approval, I proceeded to Sivaganga yesterday (6th) morning and interviewed the Swamiji re: the installation of Sri Sangameswara Idol in the new Temple under construction. The Swamiji was pleased to hear that Government had graciously sanctioned the construction of the new Temple on the ridge overlooking the Lake and that all classes of residents in New Bangalore Water Works had subscribed liberally and volunteerily towards the construction of the Temple and were eager on its early completion and installation of the Diety by the Swamiji himself. The question was fully discussed from all standpoints and the following decisions of the Swamiji were announced.

1. That the Sri Sangameswara Swami Temple Image now presiding in the Mutt Temple at Kudlu be removed and installed in the new Temple under construction by Government.

2. That the Swamiji would be glad to instal the Diety himself in the early part of Margashira Masa.

3. That the Swamiji is pleased to set apart compensation amount of Rs.6700/- paid by the Government in P.W.D., for Nityaradhana of the Temple, and lastly:

4. That the Agent of the Mutt and myself take such steps as are necessary to get these ratified as early as convenient.

I was overwhelmed at the magnanimous decisions reached by the Swamiji and promised to convey them to you immediately.

As the Mutt is under the management of the Government, I beg to request you to kindly move the Muzrai Commissioner and Government in the matter and get needful sanction.

With best respects,
I am,
Yours sincerely,

Financial Department.

SIR,

With reference to correspondence ending with your letter No. 820/Muz.dated 17-22nd November 1932, I have the honor to forward herewith copy of letter No.C3.4212/31-32 dated 1st December 1932 from the Deputy Commissioner,Bangalore District, stating that he has cancelled the order of the present Sub Division Officer and restored that of Mr.Dwarakanath - which declared that there was no private right in the Sri Sangameswara Swami temple at Kutlu, on the ground that the order was definite and final and the present Sub Division Officer was not competent to revise - it.

2. As regards the utilisation of the compensation amount, the Agent of the Mutt has communicated to the Deputy Commissioner the ---- intention of the Swamigalu that the amount,viz., Rs.6710/- may be - --- deposited in the name of the deity and that the interest accruing thereon might be utilized for paditara and Deeparadhane expenses of the temple. The amount is now deposited in the Magadi taluk Savings Bank in the name of the Amildar on behalf of the deity.

3. The Agent has also addressed a communication to this office, which is sent herewith in ogiginal, stating that the Swamigalu is ---- desirous of going out on a tour, and requesting that a loan of Rs.3000/- may be advanced, at Savings Bank rate of interest, from the above said compensation amount, to meet the initial expenses subject to repayment in two years, out of the provision made for the following items in the scale sanctioned in Government Order No.1291/Muz.167-30-2 dated 3/8th December 1930.

P.T.O.

18

i.Daily santarpane	Rs.1200/-	a year.
ii.Daily worship	" 144/-	"
iii.Aradhane of the late Swamigalu.	" 125/-	"
iv.T.A.to the members of the committee.	" 150/-	"
Total	Rs. 1719/-	a year.

He expects to meet the above items of expenditure from out of the earnings in tour.

3. It may be mentioned, besides, that the appointment of Ved. Sankaranarayana Sastry, now tutor to the Swamigalu, as a Pandit in the Maharaja's Sanskrit College, is practically settled, and this will give an additional savings of Rs.70 X 12 Rs.840/-. It is desirable that the Swamigalu who is 23 years of age and has satisfactrily finished his studies should now tour out and come in contact with learned people and get into touch with his disciples in and outside the State. The tour may also help the financial restoration of the institution, which is some what --- heavily encumbered. I beg therefore to recommend that a loan of Rs.3000/ may be sanctioned in favour of the Mutt from out of the compensation amount referred to above, the adjustment of the loan instalment with interest at 5 % being the first charge on the income of the institution , it being -- adjusted as proposed by the Agent. The interests of the temple will not suffer thereby as the money would be earning the same interest as if it had been invested in the Savings Bank Fixed Deposits. The amount will be held to the credit of the Muzrai Commissioner in the first instance and payment made to the agent on production of necessary estimates and bills in connection with the equipment to be made for the proposed tour.

4. I solicit the favour of early orders, as the Swamigalu is anxious to start as early as possible.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Letter No.C3.4212/31-32 dated 1st December 1932 fromthe Deputy Commissioner, Bangalore District to the Muzrai Commissioner in Mysore, Bangalore.

With reference to your letter No.137/32-33 dated 21st October 1932 calling for a report in the matter of the revision of the award order passed by Mr.Dwarkanath, Sub Division Officer, Closepet, Sub Division for the acquisition of the Sri Sangameswaraswami temple at Kutlu in Magadi by the present Sub Division Officer, (Mr.J.B.Mallaradya) I have the honor to state that the present Sub Division Officer, Closepet Sub Division who was called upon to explain how he revised the order of his predecessor in this case, reports in his No.L.A.C-4/30-31 dated 16th November 1932, that the order of the previous Sub Division Officer to deposit the award amount in the name of the Mutt was not final as orders of award had not been announced to the Villagers by means of notices and that in the meanwhile there were objections from both the parties to the orders passed and as such, he had to revise the order to avoid further complications in the matter etc., (copy of the S.D.O's letter is enclosed). On perusal of the records, I found that the previous S.D.O's order was definite that there were no private individual rights in the temple and as such there was no point in the present Sub Division Officer's saying that the matter was not clear. I have therefore cancelled the order of the present Sub Division Officer and restored that of the previous Officer.
